

We the Deliverance Church of God 7th Day would like to extend our heart felt thanks and good wishes to all our supporters over the years. We want you to know that we really appreciate your presence at all our events. May God richly bless you all and may your store basket never be empty. We want to wish you all a happy and prosperous new year.

As you all know we have been at 4020 Grand Blvd for three years now and we've been telling people on a regular basis that time is short and if you have not given your life to the Lord yet it's time. For he has done so much for us by giving his life on the cross. We're just passing through this life for a short time. Let us all try to be ready at any time to go to our eternal home. At the midnight cry let's not be like the ten virgins; five were wise and the other five were foolish. The most important thing that you can do as a human being is to be ready when the Lord calls you home. It's not if , but or maybe but it's when. Whether you rich or poor, weak or strong, young or old be sure of where you're going to spend eternity. The new year is here and when you are making your plans, just make sure to include God in them. Let us think long term. When all is said and done we only have Jesus. Try to live everyday as if it's your last because tomorrow is not promised to any man. No one wants to hear our Lord say, "Depart from me!"

If you dont have a church right now, make sure you find one that's lined up with the word of God. The word of God is Spirit and Life and it's God himself speaking and it's through his word you will be saved. Study his word and have faith in God. Live holy and wait until your change comes. God bless and have a wonderful new year.

Hope to see you soon. Remember our food basket program is still available to the needy, but you must call first. We'd love to have you come worship with us at your convenience.
