

Dear Neighbour,

We're asking for your help: Not for money, but that you make up in your mind to come and worship with us!

You are my neighbour. It is not because someone lives next door to you that they are your neighbour. A neighbour is one you come in contact with. I don't know you, neighbour, but you're still my neighbour and we are all in this world trying to make it together. As you know, this world is not our home; we're just passing through.

My name is Beverly Deroy, president of the Deliverance Church of God - 7th Day, your neighbour, a person that loves people and desires to see them come to know the Lord and to help them spiritually and physically. We've been helping the NDG Food Depot and the Old Brewery Mission and feeding the needy as much as the Lord helps us to do so.

If you are looking for a church where you can grow and help others, consider the Deliverance Church of God - 7th Day. By the way, you are the Church, the temple of the Living God. So when we come to the building, we just come to worship God and to have fellowship with the Brethren. Jesus Christ gave his life for you and for me, so that we can have Life Eternal in the long run. Do you believe it, my friends? We are just a few people, but we really mean well. Come and accept the Lord and give this church a try. You won't be sorry, I promise you. If you say yes to this note, you won't be saying yes to us, but to the Lord! Come let us glorify and give God the honour and praise he deserves, for he is the one that lends us his breath and one day he'll take it back. When he does, may we all hear the "Well Done!" on the last and final day and not "Depart from me; I do not know you!"

When you come to the Lord, no matter what your situation in life, put Him first, for He won't let you down.
